

Referral Scheme

As a long standing customer of ours, we hope that you have had good service and therefore the confidence to recommend us to your colleagues, friends and family.

It seems only fair to us that we should reward such loyalty and enthusiasm with a good referral reward scheme.

Unlike other referral schemes we don't just want to offer a 'token gesture' such as vouchers, so we are offering a simple solution – a minimum flat 10% of the support revenue generated from a successful referral.

Payment options for your reward can include:

1. Payment against an invoice – 10%
2. An Orchid credit note against your account – 10%
3. Offset the reward against your Orchid engineer costs – 12%
4. Offset the reward against your Orchid Support Contract Costs – 15%

Do you know someone you can refer now?
Tell them all about us or let us know and we will give them a call.
